Chef, Restaurateur and KCBS BBQ Professional Judge and Winner Chris Vecchio is jumping into an all-new adventure at age 50 and started Barky Bites Dog Treats in 2017 inspired his new puppy IZZY and the massive amounts of recalls (and deaths) in the pet industry.

"When Izzy came into my life, she had severe allergies. I then found out how dangerously poor the quality of pet treats and food are in the market, and knew I had to do something..."

So Chris launched **BARKY BITES DOG TREATS** using only the best ingredients and his award-winning techniques to make the best pet cookies and jerky you can buy for your fur-baby.
